PROFILE

Experienced Cybersecurity Professional with expertise in Network Security, Application Security, Cloud Security, and Private App Security. Skilled in implementing comprehensive security measures to protect critical systems. Committed to staying ahead of evolving cyber threats and fortifying digital infrastructures.

WORK EXPERIENCE

Regent Digitech

July 2025 - PRESENT

CYBER SECURITY ENGINEER

- Lead POCs and deployments of SSE (NGSWG, CASB, DLP ZTNA) solutions like Netskope.
- Deployment of Cloud Exchange, Integration with SIEM solution, threat exchange with 3rd Party Tools.
- Involved in the deployment of Netskope Web Inline DLP, Endpoint DLP, and Email DLP, including information gathering, fine-tuning DLP profiles to reduce false positives, and integrating forensic tools to store DLP incident files.
- Implemented and managed enterprise DLP policies to prevent data exfiltration across endpoints, email, and cloud applications.
- Designed custom regex policies to detect and block sensitive data such as PII, financial data, and phone numbers.
- Conducted incident analysis and policy tuning to reduce false positives and ensure
- Implemented cloud DLP controls via CASB to monitor and restrict sensitive data movement to cloud storage (e.g., OneDrive, Google Drive, Slack).
- Performed API-based integrations with major SaaS apps for visibility, activity monitoring, and compliance reporting.
- SOP creation, documentation, and providing 24/7 support and troubleshooting for the solution.

RAH Infotech Pvt Ltd

Oct 2021- June 2025

TECHNICAL SUPPORT ENGINEER

- Hands-on experience Deployment, Configuration and Implementation IP configuration for LAN & Mgmt. High availability pair Configuration as Grid master and rest all are grid master candidate.
- Lead POCs and deployments of Infoblox DDI (DNS, DHCP & IPAM), Netskope SSE solutions like Infoblox & Netskope.
- IPAM, DHCP & DNS Configuration and Extensible attribute with service & site.
- All appliances are deployment this Infoblox, Netskope Product like On-Premises and Cloud
- Deployment of different kinds of Hypervisor like VMware, Vm-Esxi, Hyper-V.
- IPAM, DHCP & DNS Configuration and Extensible attribute with service & site.

EDUCATION

**Technocrats Institute of Technology (Excellence),
Bhopal**
B.Tech. (Computer and Science Engineering)

2017-2021

**N.K.S.M Collage
(Bihar Board of Secondary Education)
Muzaffarpur**
Senior Secondary (12th)

2015-2017

**Sushant Public School
(Central Board of Secondary Education)
Muzaffarpur**
Secondary (10th)

2013-2014

TECHNICAL SKILLS

- Handful experience on Security Products like Netskope NGSWG, ZTNA, CASB, DLP, Infoblox Bloxone DDI (DNS, DHCP & IPAM).
- Knowledge of Zero Trust/SSE products like Netskope.
- Experience of working on different kinds of Hypervisor like VM Exsi, VMware & Hyper-V.
- Knowledge of networking concepts such as OSI, TCP/IP etc.
- Knowledge of Linux Flavor Centos, Ubuntu and RedHat.
- Knowledge of Cyber Security concepts.
- Good understanding of MS-Excel, PowerPoint, Word.
- Have Knowledge of Network and Network Security Basics.
- Analysis of generated alerts.
- Experience of working in a problem/incident management environment.
- Experience on configuration rules and policies across the SWG/CASB/ZTNA/DLP platforms with exposure on change management processes.

PROJECT UNDERTAKEN

- **Airforce Network (AFNET) DDI Project for Infoblox**
Implemented and configured Infoblox DDI solutions for AFNET, ensuring efficient DNS, DHCP, and IP address management across the network.
- **BHEL Netskope SSE for Implementation and Configuration**
Led the deployment and configuration of Netskope SSE for BHEL, enhancing cloud security, data protection, and threat mitigation across the organization.
- **HPCL Netskope SSE for Implementation and Configuration**
Managed the implementation of Netskope SSE for HPCL, optimizing security policies and real-time monitoring to protect sensitive data and cloud applications.

PARTICULARS

- **Father's Name:** Birendra Shah
- **Mother's Name:** Munni Devi
- **Gender:** Male
- **Date of Birth:** 20th September 1997
- **Marital Status:** Unmarried
- **Present Address:** House No. – 491, Vijayanagar Agwanpur Faridabad, Haryana
- **Permanent Address:** Chainpur Fatehpur Muzaffarpur, Bihar
